MBA for Entrepreneurs & Non-MBA Students - CPD ACCREDITED

PIK-0126 DZ-A-1

**If you can't train them,
you can't blame them!**

Short Description:

This hands-on and thrilling week-long Workshop on Leadership and Business Excellence gives all attendees the essential expertise and understanding to prepare them for higher-level duties in their business operations. It is ideal for individuals with diverse professional backgrounds looking to expand and enhance their business above its existing limits in line with their growth and development strategy. The 7-day Workshop for excelling in Leadership and Business Excellence is structured to furnish participants with the capabilities and assurance to guide and oversee in a rapidly evolving and intricate business setting. This is a versatile workshop, covering various key aspects and methodologies of leadership, creativity, and planning. Our practical Masters in Business Acumen for Entrepreneurs program condenses essential business insights from traditional MBA courses into digestible segments over a span of one week.
