Excellence in Leadership Management

PIK578-1225 LON-2

**If you can't train them,
you can't blame them!**

Short Description:

Corporations need to nurture dynamic leaders who can help their employees to be innovative, enterprising, focused and fully productive. This course presents an opportunity for leaders to learn the management skills and leadership styles to enable them to maximize their own impact and effectiveness in the workplace, as well as giving them the insights and skills necessary to utilise the abilities of those who report to them. By focusing on real-life organisational issues and the circumstances of individual delegates, it will equip current and future leaders to meet the new and many challenges which accelerating globalisation is presenting to all organisations. This highly interactive seminar will allow you to examine yourself, and your strengths and weaknesses. You will develop your communication, interpersonal and decision-making skills to enhance your leadership abilities to bring about change, innovation and enterprise. Delegates will also gain valuable insights into and feedback on their preferred behavioral, management and leadership styles. Delegates will develop leadership skills based on the latest scientific findings on how to make effective and creative decisions. You will also learn how to apply flexible leadership skills in a practical way to help your team achieve its goals. The course not only provides delegates with the opportunity to explore the latest thinking in management and leadership excellence, but also offers the opportunity for test and instructor-based assessment against key leadership competencies. As such, final certification requires delegates to complete all modules of the course for the Certificate in Leadership and Management Excellence to be awarded.

Course Overview:

The Structure

Module 1 - **Leadership, Innovation & Enterprise Skills**

Module 2 - **Decisions, Dynamics & Leadership Styles**

The Goals

This seminar aims to enable delegates to achieve the following objectives:
