BSCs (Balanced Scorecard for Strategic Planning)

PIK117-0925 LON-1

If you can't train them, you can't blame them!

Short Description:

The Balanced Scorecard puts strategy at the heart of your organisation, allowing you to focus 100% of your employees' effort on the achievement of company objectives. It provides a powerful framework for the rapid and effective implementation of strategy, delivering breakthrough performance improvement. Highlights of the seminar include: ï,§ Understanding how to use the Balanced Scorecard to drive improved performance. ï,§ Building a Balanced Scorecard from scratch. ï,§ Aligning your organisation around commons goals. ï,§ Stimulating activities and discussions. ï,§ Creating a personal action plan to drive performance improvement within your organisation.

Course Overview:

Objectives:

After attending this seminar, delegates will be able to:

- Translate vision and strategy into practical action and improved organisational performance.
- Understand how to monitor and manage strategic performance.
- Design and build a Balanced Scorecard.
- Drive operational performance improvement in line with strategy.
- Communicate and manage change.

Training Methodology:

The workshop is based on a combination of interactive activities – group and individual exercises, case studies and discussions – along with formal inputs. Real examples are employed to illustrate how the techniques work in practice and a case study is used to demonstrate the end-to-end process of creating and implementing a Balanced Scorecard.

Organisational Impact:

• Turning the organisation's vision into a practical reality.
