Effective Skills for Senior Secretaries

PIK340-0325 IST-1

**If you can't train them,
you can't blame them!**

Short Description:

The Senior Secretary holds a key position of influence and a powerful partnership with the senior management team. Success in this role has a direct effect on the success of executive operations. The Senior Secretary who understands the role and pressures of management and even thinks like the team will achieve improved performance, outstanding results and respect from superiors and the executive team. You already hold this position because of your current capability therefore this program seeks to supplement your current set of capabilities and competence by:

- Presenting you with an additional set of competences to add to your skills portfolio.
- By using interactive team and group exercises to practice the skills learned.
- By presenting a series of videos to supplement the theories & learning presented.
- Interaction with fellow students from a variety of different organizations for learning & networking.
- By developing your skills and capabilities for the future.
- By concentration on developing your people and social skills.

Course Overview:

Objectives:

- Creating opportunities for your personal development and accepting the challenges when they arise.
- Managing yourself, your subordinates, your colleagues and your boss more effectively.
- Developing the competence & managerial aspects of your role.
- Improving your confidence, assertiveness and communication skills.
- Managing the stress and pressure in an increasingly challenging environment.
- Understanding your own and others personality & its effect on behaviour.
- Make better and more effective decisions.

Particular competences that will be developed are:

- How to communicate better with a wide range of people.
- How to negotiate with other more effectively.

- How to use a variety of time tools effectively.
- Improvement in memory skills.
- How to motivate yourself and others How to analyse your performance for future development opportunities.

Training Methodology:

- The seminar is based on a combination of interactive activities - group and individual exercises, case studies, role plays and discussions - along with formal inputs.
- The environment will be a supportive one in which individuals with varying degrees of experience will be encouraged to share the approaches they currently use as well as try out new ones that they encounter on the course. The course Tutor will be on hand to answer any questions a delegate may have and to act as a facilitator for building and applying new approaches.
- We aim for this to be an enjoyable as well as a learning experience and feel that the mix of style and learning techniques will prove valuable to those that attend. The tutor is available to discuss any personal or private problems each day.

Organisational Impact:

- An improvement in confidence from the attendee.
- An enhanced range of competences deployed in the workplace.
- An increased awareness of the impact of personality on behaviour and appropriate techniques to improve effectiveness.
- Improvement in problem solving & decision-making techniques employed.
- Able to work on own initiative more effectively.
- An improvement in memory.
- Enhanced social interaction skills.

Personal Impact:

- Better able to think through situations in a more logical and analytical manner.
- Understand and explain the methods that will be of benefit to them in managing the pressures and demands of their workplace in such a position.
- Have a selection of tools to approach situations and people more effectively.
- Feel more confident in their own capability to handle the more unusual situations that occur.
- Have practiced skills in a non-threatening environment.
- Have the tools to develop a personal action plan.
